~~NATIONAL RECOVERY ADMINISTRATION~~

WASHINGTON, D. C. Nov 18th 1935.

My dear Mr Ryti:

I am a 32nd degree Mason, and a member of a society of men, we are over 600,000 strong, we pay two dollars a year dues, for the upkeep, of a number of hospitals, for crippled children, but, more is needed, so I help by collecting old postage stamps, using them for the benefit of the children, but, I need help to get the stamps.

Mr Ryti, I am trying to get a few good men to help me serve, brotherly love, relief, and truth, by sending me stamps from time to time.

I understand you to be so kind, so good, so I wonder if I can ask you to be so kind and help? by having the old stamps recieved on your banks mail, collected, and sent to me.

I will be very grateful for any stamps you send, and you can be sure that the children will appreciate your kindness.

Everything is free to the children, we do not care what race, color, or creed, just so we can make them well, happy, and good citizens.

We have children from every country in the world, and we do all we can for them.

Please do all you can that I may get lots of stamps from you if only, for one time.

Jag är Svensk född i Linköping.

With all good wishes to you and yours, I am,

Yours very truly,

A. R. Felstrup
