HELSINGFORS - Finland.

My dear Governor,

A great friend of mine, Prince Georges Chavchavadze, the famous pianist is giving a recital in Helsingfors on the 29th. of this month. He is very well known here and all over the world but he has not yet played in Helsingfors.

I would therefore be most thankful, should you be interested in music, if you would recommend him to a few of your friends, specially as he has decided to come over to Helsingfors only at the last moment from Copenhagen, where he is giving a recital on April 23rd.

He is really marvelous, and I am sure that you and your friends would enjoy listening to him.

I am, my dear Governor,

Yours very sincerely,

Baron Stackelberg

P.S. I am leaving for Stockholm on April 25th. and hope to be ^{be} ~~be~~ ^{passage} ~~passage~~ for a day or two in Helsingfors about the middle of ~~May~~ ^{May}, when I hope to have the pleasure of seeing you again.

Thanking you for anything you can do for Chavchavadze.
