Br./Gr.

Mr. Risto Ryti,  
Gouverneur  
Finlands Bank,  
8, Snellmanink,  
Helsingfors.

Dear Mr. Ryti,

Back again in Hamburg, I wish to express once more my sincerest thanks for the cordial reception you have extended to me during my stay in Helsingfors. The information which you have given me about conditions in your country, etc. was most valuable, and I only wish that you would soon give me the opportunity to reciprocate by making ample use of our services.

I sincerely trust that the negotiations which have started with your assistance will lead to tangible results and that my firm may again have the opportunity to resume the old business relations with the Finlands Bank.

Believe me, dear Mr. Ryti,

Sincerely yours,

*A. B. B. B.*
