Dear Mr.

I have pleasure in acknowledging receipt of the "Report by the Registrar of Cooperative Societies on Developments during the Years 1931-1937" and I beg to express to you my best thanks for your courtesy to let me have this publication which I studied with great interest. When reading it I got the conviction that you laid down much work on this report and I trust that it will be very useful to the further development of Cooperative <sup>Work</sup> Societies in Palestine.

On occasion of your stay in Finland you gave me a book "The Seven Pillors of Wisdom" by Lawrence and commented upon its contents. This book made <sup>clear</sup> ~~clear~~ to me the immense difficulties which raise themselves against the Cooperative Work in Palestine and I take this opportunity for wishing you every further success in your efforts.

Believe me, Dear Mr.

Yours sincerely

On occasion of your May 12  
Friday you made clear to me  
the issues difficult  
with you as well as in your  
work. The report notes  
that great progress has been  
made in the discussion and  
I hope has the nice  
outcome.
