REVIEW OF INDUSTRIAL & COMMERCIAL FINLAND. JUNE. 1936.

in

THE TIMES TRADE & ENGINEERING.

Dear Sir Risto Ryti,

I beg to refer to the interview which I had with you on March 30 when I had the pleasure of being accompanied by Mr. R. Keith Jopson, the British Commercial Secretary in Finland, and desire to thank you for your sympathetic reception and also for the action which you took later in connection with Enso-Gudzeit, Outukumpu, and Veitsouloto.

You will, perhaps, remember that at this interview I mentioned that I considered the Commercial Banks would benefit considerably by the increased interest in Anglo-Finnish trade which would follow the publication of this important Review, and I believe you agreed with that statement.

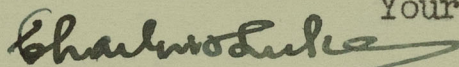

I am glad to say that we have received the support of the Kansallis-Osake-Pankki, Helsingfors Aktiebank, Hambro's Bank here and have endeavoured to get the support from Mr. von Fieandt of the Nordiska Foreings Banken for a quarter page so as to make up a page of Banks interested in the development of Anglo-Finnish trade.

I am, of course, aware that it is contrary to the policy of the Bank of Finland to advertise but if you could put in a word for us with Mr. von Fieandt or Senator Frey, I should be greatly obliged as I feel sure that that Bank, as the leading commercial Bank of Finland, ought to be represented in an issue which will undoubtedly be beneficial to Finland's international trade owing to the fact that our paper circulates in over 60 countries. I venture to enclose a list of our supporters to date which I think you will agree is imposing.

Again thanking you for your very great help,

I am,

Yours faithfully,

Charles H. Luke.

THE TIMES TRADE & ENGINEERING.

Dear Sir Risto Ryti,

Many thanks for your letter of June 12 which was put before me on my return from South Wales to-day. Your congratulations on our work are greatly appreciated by my colleagues and myself.

I hope you saw the letter from General MacDonough, President of the Anglo-Finnish Society, which appeared in The Times of June 12. This was rather interesting.

I am,
Yours sincerely,

Charles H. Luke.
