I am informed from Paris Nacitco has proposed there
that Pulkinen should buy in New York 250 bonds for French
clients Pulkinen asks me inform you he does not under certain
circumstances object to this proposition provided your consent-

-Thanks for your two wires stop Any suggestions made by our representative in Paris was on his own initiative and in response to representations from Barde and Finnish Minister advantage of settlements would be largely lost unless 250,000 Dollar bond(s) delivered to holder(s) depositing prior to withdrawal offers stop We make no recommendations but in interest good feeling quite willing to agree delivery \$ 250,000 Dollars bond(s) provided first mutually agreed no further bonds delivered second National City Bank of New York Paris be given lists of French depositors receiving bonds and their agreement not to resell within 6 months expecting through National City Bank of New York Paris ^{three} Government takes not exceeding one half 250,000 Dollar bonds from market funds purchasing remainder in market through National City Company stop writing fully-
