Mr. M. Ryti,

Governor of the Bank of Finland,
Consul General of Finland,
New York City

Dear sir - There is a genuine desire for good, up-to-date photographs of you which would enable the New York newspapers to complete the biographical data in this important respect, since it is otherwise quite accurate as now compiled in the libraries of the press.

The snap-shot pictures usually taken on the ship and at the pier are not of sufficient merit to gratify the requirement for the biographical files and for future historical reference, and for this reason we have been directed to ask the favor of an early, brief call at the Campbell Studios, 580 Fifth Avenue, (corner of 47th St.), so that all American newspapers may have the advantage of studio portraits. To supply these we need original negatives.

You may be assured of prompt attention at the Campbell Studio and there would be no expense to you.

Very respectfully, N. Y. Illustrated Press Assn., J. Digelow, Mgr.
