LONDON, E. C. 4.

13th February, 1925.

Dear Mr. Ryti,

I came across the enclosed little booklet in connection with the "BERENGARIA", which it might interest you to see.

I am also taking the liberty of enclosing letters of introduction to Captain Oram, the Staff Captain, and Mr. Rogers, the Chief Officer, who happen to be good friends of mine.

I am quite sure you will enjoy your passage, as the "BERENGARIA" is a fine steamer and most comfortable.

Yours very truly,

Risto Ryti, Esq.,
