Mr. R. Ryti,  
Room 160/2,  
Hotel Metropole.

Dear Sir,

May we be permitted to bring to your notice the TRAVEL BUREAU recently inaugurated at this Hotel for the convenience of visitors. This office is equipped to handle efficiently all branches of the Company's activities and is managed by a competent staff.

Our close relation with the various Rail and Steamship Companies enables us to offer many facilities and advantages, therefore eliminating worrying details to the Traveller.

Should you require transportation in Britain, the Continent, hotel reservations or ocean passages to any part of the world, we should like an opportunity of taking care of same.

The Bureau is located opposite the American Bar and adjoining the Smoking Room. We are here entirely at your service and if it is not convenient for you to call, a telephone message to the Bureau will immediately bring the necessary tickets to your room, or we shall be glad to have our Representative call upon you to discuss any detail you may desire.

Assuring you of our personal and prompt attention at all times.

Yours faithfully,

THE AMERICAN EXPRESS COMPANY INC.
