ALL NEW YORK DAILIES ON FILE

DEPARTMENTS: Industrial Art Publicity Scrapbooks

Dear Sir:-

Will not the enclosed pressclipping induce you to become one of our clients? We read all the important dailies and periodicals, domestic as well as foreign publications, and look after personal notices or any topic of interest to you. It will certainly pay you to fill out attached subscription form and forward same to us at your earliest convenience. You might otherwise miss receiving articles you desired most of all. It will interest you also to know that our bureau has a reputation for giving intelligent service.

If you gathered any number of clippings and want them mounted in handsome scrapbook-albums, we beg to say that this kind of work is especially solicited by us. You will find our charges reasonable.

Assuring you that we shall give your order our best attention, we remain

Yours respectfully
Argus Pressclipping Bureau
